Introducing...

DYNAMIC

Cher technicien,

Bienvenue dans la première édition de notre catalogue de pièces Dynamic. Vous êtes nombreux à nous soutenir depuis dix ans. Durant ces années, nous avons vendu des pièces dans plus de 30 pays grâce à notre réseau de distributeurs. Ces pièces ont depuis perduré dans le temps grâce à leur qualité et leur solidité. C'est pourquoi nous sommes prêts à vous présenter notre nouvelle marque, DYNAMIC.

Merci de nous rejoindre dans cette aventure.

Vous êtes nos experts sur le terrain.

Sans votre travail mettant nos produits à l'épreuve, nous n'aurions pas l'occasion de nous challenger, de faire la différence sur les performances de nos pièces, les temps d'arrêt de la machine, les augmentations d'intervalles d'entretien et la satisfaction de votre clientèle.

Vous êtes notre plus grand atout!

Partagez vos commentaires et idées à venir, nous sommes impatients de travailler en étroite collaboration avec vous pendant de nombreuses années.

L'équipe DYNAMIC et Valcke Group

Comment obtenir le meilleur de ce catalogue...

Ce catalogue a été conçu pour faciliter le travail des techniciens. Les produits sont classés en catégories allant de l'avant à l'arrière de votre poseur de quilles.

Tout ce que nous faisons est fait par des techniciens pour des techniciens. Vous ne trouverez pas de catégories « Kickback » mais ces pièces sont bien présentes avec les autres catégories « Cushion », « Pit » et « PBL » (Ball Lift).

Ce que vous voyez est ce que vous recevrez !

Pour votre tranquillité, nous avons pris une photo de toutes les pièces présentes dans ce catalogue. Aucune surprise, vous commandez la pièce dont vous avez besoin et vous recevez ce que vous avez commandé.

Les pièces bénéficiant du symbole  sont de meilleure qualité que les pièces d'origine.

Les coordonnées de votre distributeur se trouvent à l'arrière de ce catalogue. Nous collaborons avec les meilleurs experts dans le monde du bowling, ils sont nos yeux et nos oreilles dans votre secteur.

N'hésitez pas à les contacter si vous avez la moindre question.
